DRAFT

Film Production Guidelines

Welcome to the City of Los Angeles, Department of Recreation and Parks (Department). In our partnership to protect the environmental integrity of our parks the Park Film Office is providing guidelines to ensure a safe and successful film shoot. Please review and provide copies of these guidelines to the appropriate responsible persons. Thank you for the continuous use of our parkland.

- **Ok to do film at Elysian Bishop Helipad on 7/11/19.**
- **Scene host announces remaining food truck contestants who have won the competition.**
- **Ok to park 2 catering trucks, 2 picture cars, 1 equipment truck, 10 crew cars and 4 minivans.**
- **Ok to use camera equipment, boom sticks, tents, video village and audio mixer.**
- **Ok to set up video village.**
- **Video village must be set up along the grass or dirt area must not be on helipad.**
- **Ok to park 2 catering trucks and show cars on helipad.**
- **Vehicles must be facing 1 direction drivers inside ready to go in case of a helipad evacuation.**
- **Ok to cater.**
- **Ok to set up pop up tents, chairs and tables.**
- **Trucks may park along the path leading up to helipad.**
- **All remaining vehicles may park along park rd.**
- **Company cannot dig or drill into the park property.**
- **No alteration to landscape.**
- **Ok to use a generator.**
- **Generator must be on plywood or concrete base away from vegetation or overhanging trees.**
- **Generator may not be set on helipad.**
- **Ok to do 2 minute pedestrian control.**
- **Company does not have exclusive use of parks or Lots.**
- **Park Film Office will assign a Park Monitor for monitoring the initial gate leading up to the Helipad.**
- **Helipad gates must remain locked at all times.**
- **The public is not allowed to drive past the gates leading to the helipad.**
- **An on-site Fire Inspector must be present at all times. As determined by LAFD.**
- **In event of an emergency, the Fire Inspector, along with the Park Film Monitor, will direct as necessary to vacate the Helipad or evacuate the park. This**

directive will be strictly enforced regardless of the status of film activity. Location Manager must be aware of this risk.

- **Vehicles parked on the Helipad must be parked and attended in such a way as ALL vehicles can vacate the Helipad within 5 minutes.**
- **No standing sets, catering trucks, generators, dressing rooms, or other equipment that cannot be readily moved or driven off is allowed on Helipad.**
- **All vehicles to be parked on the upper loop road and must be parked along one side of the road only facing towards the exit in the event of an emergency landing or evacuation.**
- **No parking or staging of equipment on the lower loop road must be maintained for emergency vehicles and access only.**
- **When vacating the premises, vehicles must vacate as to not damage the Helipad surface. Watch for raised edge as to not "bottom out" on the Helipad. Company will be held responsible for restorations.**
- **Use of City utilities (water and electricity) is $75 per use, per day and the company will be invoiced by the Park Film Office.**
- **Pyrotechnics, explosions, stunts and special effects may be considered on a case-by-case basis for exterior use only and requires approval by LAFD and the Park Film Office. Any special effects that may cause damage to the interior/exterior of cave integrity are not permitted.**
- **Vehicles and/or heavy equipment are not allowed on turf areas unless prior approval is given by the Park Film Office.**
- **Production companies must provide their own restroom and trash receptacles. The City dumpsters and trash cans cannot be used so all self-generated trash has to be removed and disposed of off-site.**
- **No simulated sex allowed on Park property.**
- **No nudity allowed on Park property.**
- **Film permits do not provide exclusive use of a park or recreation area.**
- Service roads, parking lot driveway access, handicap or electric vehicle designated parking stalls may not be blocked or restricted. Emergency vehicle access lanes must be maintained in parking lots and park streets at all times.
- A 20 Foot unobstructed lane must be maintained between parked vehicles/trailers in all parking lots and Recreation and Parks roadways for emergency vehicle access.
- Due to underground plastic irrigation lines and trees having shallow root systems, staking and or drilling into turf, rocks, trees or asphalted areas is not permissible unless prior approval is given by the Park Film Office. This approval will be noted in the permitted guidelines.
- Locked park gates can only be accessed by a Park Film Office Monitor. Security of open gates must be provided by the permitted company. Any equipment that is permitted to stay overnight must be guarded by the permitted company's security group.
- Alterations to natural or manmade surroundings or content of the park are not permissible unless documented in these specific guidelines. The permit holder is financially responsible for all remediation should there be any damage or unauthorized alteration to Department property. The remediation and cost of will be determined by the Park Film Office.
- A Park Film Office Monitor(s) may be assigned to the permitted location. Their job is to ensure guidelines are followed, liaison between park patrons, other City employees and a communication link between Permitee and the Park Film Office for any additional needs or authorizations. When the Park Film Office is closed the Park Film Monitor has the authority and responsibility to modify these guidelines within the

parameters given to them by their supervisor. The Park Film Monitor has access 24/7 to contact their supervisors if needed. The Permitee will be required to adhere to the instructions, restrictions and requests given by the Park Film Monitor.

- Smoking: No Smoking unless in designated area
- No smoking on trails.
- Fire extinguisher required for generators on site.
- Smoking is prohibited on all Department properties. An exception has been made for permitted film production companies to smoke in areas that are designated by the Fire Safety Officer or Park Film Monitor. If a Fire Safety Officer or Park Film Monitor is not assigned to the Permitee there will be no smoking with the exception of an actor smoking while performing or as part of the scene.
- A designated smoking area may not be near any patron activity or facility. Large buckets of sand or water must be placed in this area for disposal of tobacco or tobacco related products. The designated smoking area may be revoked or not allowed depending on weather and location conditions. Failure to comply with the smoking restrictions may result in a fine.
